Congratulations on this monumental achievement! Your graduation marks a major milestone in your life's journey. I am incredibly proud of each and every one of you for the person you have become today.

True success is not merely built on the expertise or skills you acquire; instead, it is anchored fundamentally in the strength of your character. In an era increasingly shaped by Artificial Intelligence, your emotional intelligence and ethical grounding will remain your greatest strengths.

Your transformation does not stop at this finish line. Growth is a continuous, lifelong journey, and learning is meant for every season of life. Some moments ahead will test you to make you stronger, while others will reward you to make you wiser.

Remember, your ultimate fruitfulness comes from remaining agile and resilient. Every great opportunity comes with its own set of challenges. Meet uncertainty with an open heart and a growth mindset, and see every disruption not as a hurdle, but as a canvas to innovate and grow.

May your journey ahead be filled with meaningful encounters, profound life experiences, and endless purpose. May God bless every single step you take.

Don't give up. Keep trying until you achieve success.

My name is Peter Heng Yi Hen. I am from the General Maintenance Department.

I have improved my English after I entered Montfort. I kept trying, and now I can speak in front of people. We cannot use handphones, and we must wake up early in the morning. We should only speak in English and Bahasa Melayu. For me, Bahasa Melayu is easy.

When I face challenges, I ask my friends to help me solve the problems. I have gained welding skills, air-conditioning skills, and wiring skills.

I want to thank my department instructors who have guided me and given me advice whenever I did something wrong. I also want to thank my friends who helped me at different times, and the SA Officers who supported me throughout my journey.

I cannot believe that two years have passed so quickly.

A GLIMPSE OF OUR MEMORIES

MONTFORT SONG

Montfort Youth arise and sing;
Sing and let your voices ring;
Together make a joyful song
For all to hear the whole day long.
To work and play, to grow and pray;
To learn the things that make us say:
Our joys, our victories we shall proclaim;
Our effort, our gains shall remain.

"I Must! I Can!" Montfort Youth,
From strength to strength we'll carry on,
With motto like this we can't be wrong.
Proclaim your name both far and wide.

Montfort Youth come gather round.
Morning, day and night resound:
From Brothers, teachers and friends so dear,
To learn each day that God is near.

We're proud to be here,
To serve and to cheer.
All these with a smile and a will to succeed.
Where there's a will, there is always a way.
These slogans will guide us night and day.

"I Must! I Can!" Montfort Youth,
From strength to strength we'll carry on,
With motto like this we can't be wrong.
Proclaim your name both far and wide.

LEAVER'S SONG

Here's to the ones that we got
Cheers to the "wish you were here, but you're not"
'Cause the drinks bring back all the memories
Of everything we've been through
Toast to the ones here today
Toast to the ones that we lost on the way
'Cause the drinks bring back all the memories
And the memories bring back, memories bring back you

There's a time that I remember when I did not know no pain
When I believed in forever and everything would stay the same
Now my heart feel like December when somebody say your name
'Cause I can't reach out to call you, but I know I will one day, yeah

Everybody hurts sometimes
Everybody hurts someday, ay-ay
But everything gon' be alright
Go and raise a glass and say, ay

Here's to the ones that we got
Cheers to the "wish you were here, but you're not"
'Cause the drinks bring back all the memories
Of everything we've been through
Toast to the ones here today
Toast to the ones that we lost on the way
'Cause the drinks bring back all the memories
And the memories bring back, memories bring back you
hook

Doo-doo, doo-doo-doo-doo
Doo-doo-doo-doo, doo-doo-doo-doo
Doo-doo-doo-doo, doo-doo-doo
Memories bring back, memories bring back you

There's a time that I remember when I never felt so lost
And I felt all of the hatred was too powerful to stop (ooh, yeah)
Now my heart feel like an ember and it's lightin' up the dark
I'll carry these torches for ya that you know I'll never drop, yeah

Everybody hurts sometimes
Everybody hurts someday, ay-ay
But everything gon' be alright
Go and raise a glass and say, ay

Here's to the ones that we got (oh-oh)
Cheers to the "wish you were here, but you're not"
'Cause the drinks bring back all the memories
Of everything we've been through (no, no)
Toast to the ones here today (ay)
Toast to the ones that we lost on the way
'Cause the drinks bring back all the memories (yeah)
And the memories bring back, memories bring back you

Doo-doo, doo-doo-doo-doo
Doo-doo-doo-doo, doo-doo-doo-doo
Doo-doo-doo-doo, doo-doo-doo
Memories bring back, memories bring back you
Doo-doo, doo-doo-doo-doo
Doo-doo-doo-doo, doo-doo-doo-doo
Doo-doo-doo-doo, doo-doo-doo (ooh, yeah)
Memories bring back, memories bring back you
